

Dan Scavone Ph.D. Presents

**THE
HOLY GRAIL**

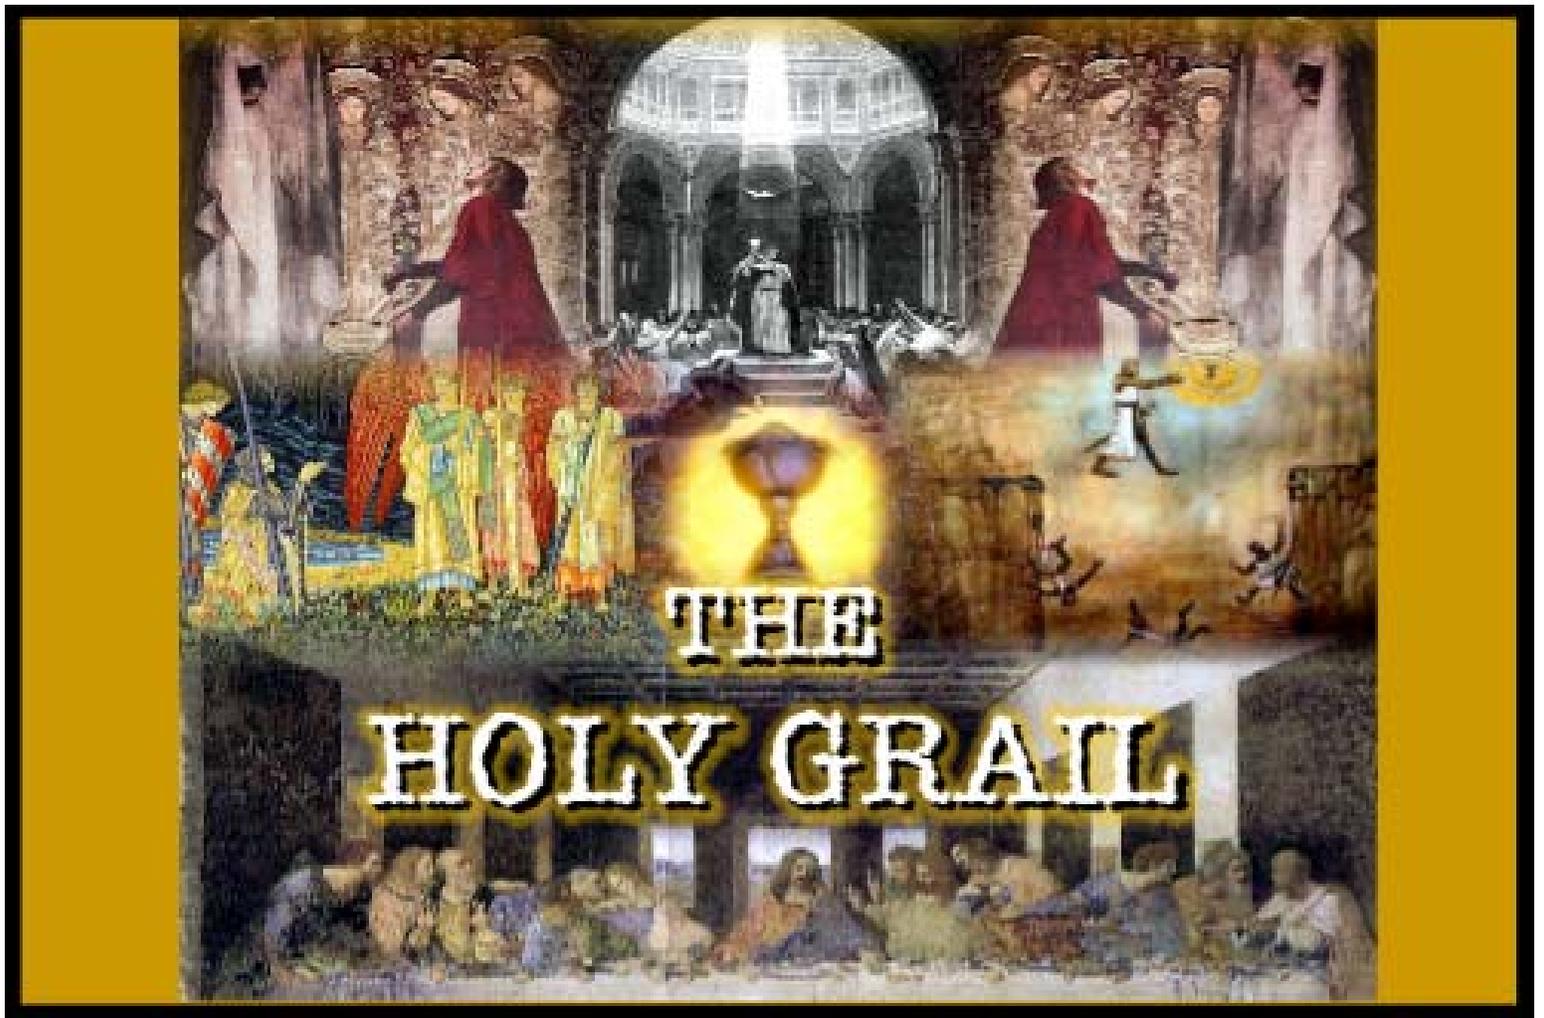

Sponsored by the OCU History Club

Oakland City University

December 4th, 2008 7:00 p.m.

Cornwell Reed Recital Hall, RM 211

Followed by reception

Although the Holy Grail originated within the Celtic religion, many associate it to Christianity and it is known to be the cup used during the Last Supper, the cup that caught Jesus Christ's blood as he hung on the cross.

It is believed the Holy Grail has many powers, some of which are to see the past, present, and future.

The Grail is also believed to have healing properties, even contain the secret to immortality.

**Come and join us as we explore
the myth surrounding the Holy Grail.**
