Registration Changes

Please complete the appropriate section below for any courses dropped or for which you are requesting a grade of incomplete. An Incomplete Request Form must be submitted and approved along with the Leave of Absence request.

Courses with a grade of Incomplete (I):

Department	Course #	Section #	Start/End Dates	Credit Hrs.

Incomplete Grade Policy

The grade of “I” indicates an authorized incomplete and is given when a student is unable to complete all required coursework before the class is finished because of circumstances beyond her or his control. A grade of “I” does not count in the computation of grade point average.

An incomplete grade, “I”, is only to be given when extreme situations arise that a student cannot control and which prevent them from completing course requirements by the end of the enrollment semester. These include serious illness or accidents, extreme family issues, and like situations. It does not include poor time management in completing assignments, excessive absences without documentation, or missing one or more exams unless it is due to the serious illness or accident.

A student may request an incomplete before the end of the semester or a course and it may be granted if circumstances warrant. In order for a student to receive a grade of “I”, the *Request for Incomplete Grade Form* must be completed, signed by both the instructor and the student, and submitted to the Office of Academic Affairs before the end of the course for which the student is seeking an extension. The Office of Academic Affairs will notify the instructor and the student once the request has been approved.

The remaining work for an incomplete grade must be completed within a time frame equal to the length of the course. For example:

- A student taking a semester long course must complete all outstanding work by the end of the next semester.
- A student taking a five-week or eight-week course must complete all outstanding work by the end of the next five or eight-week session.

If a student fails to submit all required coursework by the deadline/due date agreed upon in the *Request for Incomplete Form*, the grade of “I” will be changed to whichever grade the student has earned at that point.

Please submit completed form, along with supporting evidence, to the Office of Academic Affairs (Murray Center 206, 812-749-1238 – term students; 812-749-1304 – non-term students, academicaffairs@oak.edu).
