Oakland City University used the following methods to determine which students received Emergency Financial Aid Grants and the amount the individual was to receive under Section 18004(a)(1) of the CARES Act:

1. Student eligibility verified. If a student had filed a Free Application for Federal Student Aid (FAFSA), then the student demonstrated eligibility to participate in programs under Section 484 the HEA and is deemed eligible to receive a student emergency relief grant.

In addition, OCU verified the student was enrolled in an eligible education program since students who were enrolled exclusively in an online program on March 13, 2020 were not eligible based on guidance from [ED](#).

Students who had not filed a FAFSA but who are eligible to file a FAFSA were requested to provide additional information demonstrating their eligibility for Title IV funds before they are awarded grants by OCU. The criteria to participate in programs under Section 484 of the HEA include but are not limited to the following: U.S. citizenship or eligible noncitizen; a valid Social Security number; registration with Selective Service (if the

student is male); and a high school diploma, GED, or completion of high school in an approved homeschool setting.

2. Individual amounts received were weighted. The students indicating the greatest need received a greater amount. Each eligible student who completed a grant application and was verified eligible was awarded a minimum of \$500 with a maximum amount of \$1,400 awarded to those indicating the greatest need.
3. Applications were accepted until November 1, 2020. The remaining funds of \$18,245 that had not been claimed through the application process were reallocated and distributed to 125 students indicating the greatest need.
4. In January it was determined two students were identified as eligible in error. The total amount of \$1,020 that had been awarded to the two students was awarded to a different student who had been identified to receive a student grant under the CRRSAA HEERF II guidelines. The \$1,020 CARES Act HEERF I fund was disbursed to the student on March 31, 2021.
