Indicators Used

INDICATOR	DESCRIPTION AND HOW IT WAS CALCULATED
Bachelor of Science in Business Administration	The cohort was created from the Fall 2015 dataset utilized for all federal reporting of graduation rates. Students are bachelor's degree seeking, first-time freshman, that are enrolled full-time. The Graduation date was compared to the start date of the student's first course to calculate the completions within 4 years and 6 years. Below

	is a copy of the graduation rate definition from IPEDS for greater clarification concerning the methodology implemented in this summary.
Bachelor of Applied Science in Operations Management	The cohort was created from a dataset of Fall 2015 and S2015-2016 full-time undergraduate students (transfers included) utilized for all federal reporting of graduation rates. The cohort was established by looking at the first undergraduate course the student took during Fall 2015. The graduation date was compared to the start date of the student's first course during Fall 2015 to calculate the completions within 4 years and 6 years.
Master of Business Administration Master of Science in Strategic Management	Cohort was established by looking at the first graduate course student took at OCU. All students with graduate transfer credit were not included within this cohort. Graduation date was compared to the start date of the student's first course to calculate the completions within 2 years and 3 years.
IPEDS Graduation Rate Definition	The rate required for disclosure and/or reporting purposes under Student Right-to-Know Act. This rate is calculated as the total number of completers within 150% of normal time divided by the revised adjusted cohort.
