IMAGINE

A model for the Christian university in the 21st Century, sending forth graduates across the nation and world.

The Scholarships for Oaks campaign is an annual campaign where gifts are used to fund current scholarships for OCU students. Those who give \$1,000 per year will have an annual scholarship awarded in his or her name. All gifts will go directly to students in the form of scholarships for tuition, room, board, and student fees. If donors make a gift in multiples of \$1,000, then they will have multiple annual scholarships given in their name or the name of their choosing. Students will be informed of the named scholarship and will acknowledge the donor.
